

PUBLIC HEARING OF THE CITY COUNCIL
OF LINN VALLEY, KANSAS
NOVEMBER 23, 2020 7:00 pm

Mayor Cindy Smith called the hearing to order. Present were Council Members Lew Donelson, Robert Suppenbach, Jason Jenkins, John Weers and Brenda Muncy. Also present were Paul Owings of BG Consultants, Shelly Underwood of Midwest Assistance Program, Joey McLiney of McLiney and Company, and Dan Donham, City of Linn Valley Director of Planning and Development. The meeting was held via Zoom Webinar.

AGENDA: Wastewater Treatment Project

Mayor Smith gave the history of Linn Valley beginning as a KOA campground. The existing sewer system and lagoons were not designed for full time residence. Paul Owings presented a background of their study, the current status of the lagoons, and proposals and alternatives to the current wastewater lagoon system. Our current system is undersized and does not meet current needs. Mayor Smith presented additional information.

The Council answered questions from the attendees.

Council Member Donelson made a motion to adjourn. The motion was seconded by Council Member Suppenbach and passed 5-0. The meeting adjourned at 7:40 pm.
