CITY OF LINN VALLEY CITY COUNCIL MEETING MINUTES NOVEMBER 10,2025

Mayor Donelson called the meeting to order at 6:00pm.

Council Member Present:

Robert Suppenbach, Council President

Richard Gravelle, Council Member Connie Capps, Council Member John Weers, Council Member

Michael Hemphill, Council Member

Also Present:

James Brun, City Attorney

Mendi Cyr, City Clerk

Corey Murrison, Public Safety Director Jeremy Hansen, Assistant Fire Chief

Lance Williams, Building/Codes Inspector

Council President Suppenbach led the members in the Pledge of Allegiance. Council Member Weers led the members in Prayer.

CLERK REPORT

City Clerk Cyr reported a total income of \$80,747.94 for October. Total Vouchers totaled \$62,093.46. Added to the Financial Report is the Water Improvement fund. Council President Suppenbach made the motion to approve \$62,093.46 in Vouchers. The motion was seconded by Council Member Weers, motion carried 5-0.

JOEY McLINEY-FIRETRUCK BONDS

Mr. McLiney announced the Fire Truck Bond winning bid was 3.69% and runs through September 2033. The council was asked to approve one (1) ordinance and one (1) Resolution. Mr. McLiney read the first Ordinance; AN ORDINANCE AUTHORIZING AND PROVIDING FOR THE ISSUANCE OF GENERAL OBLIGATION BONDS, SERIES 2025, OF THE CITY OF LINN VALLEY, KANSAS; PROVIDING FOR THE LEVY AND COLLECTION OF AN ANNUAL TAX FOR THE PURPOSE OF PAYING THE PRINCIPAL OF AND INTEREST ON SAID BONDS AS THEY BECOME DUE; AUTHORIZING CERTAIN OTHER DOCUMENTS AND ACTIONS IN CONNECTION THEREWITH; AND MAKING CERTAIN CONVENANTS WITH RESPECT THERETO. Council President Suppenbach moved that the Ordinance be passed. The motion was seconded by Council Member Weers. The Ordinance was duly read and considered, and upon being put, the motion for the passage of the Ordinance was carried 5-0.

Mr. McLiney read the Resolution; A RESOLUTION PRESCRIBING THE FORM AND DETAILS OF AND AUTHORIZING AND DIRECTING THE SALE AND DELIVERY OF GENERAL OBLIGATION BONDS, SERIES 2025, OF THE CITY OF LINN VALLEY, KANSAS, PREVIOUSLY AUTHORIZED

BY ORDINANCE OF THE ISSUER; MAKING CERTAIN CONVENANTS AND AGREEMENTS TO PROVIDE FOR THE PAYMENT AND SECURITY THEREOF; AND AUTHORIZING CERTAIN OTHER DOCUMENTS AND ACTIONS CONNECTED THEREWITH. Council President Suppenbach moved that the Resolution be adopted. The motion was seconded by Council Member Weers. The Resolution was duly read and considered, and upon being put, the motion for the adoption of the Resolution was carried 5-0.

2024 AUDIT

The 2024 Audit was presented to the Council. The Council having no question or concerns with the Audit as presented, Council President Suppenbach made the motion to accept the 2024 Audit as presented. Council Member Weers seconded the motion, motion carried 5-0.

SEWER REPORT

Page Enterprises sent the October report in addition to the monthly lagoon inspection and lift station maintenance, they had 20 locates, this number increased due to the Water Project, and they changed out four (4) grinder pumps.

CODES REPORT

Two certified letters were sent out, one (1) for unsightly yard clutter and one (1) for working without a permit, they are still citing campers on Building lots. Four (4) cases were continued to November Court.

BUILDING CODES

The Inspectors closed out fifty-three (53) permits in October. Property Owners submitted twenty-seven (27) permits, leaving a total of 204 open permits at the end of November.

NUISANCE REPORT

Certified letters were sent out for unsightly yard, and working without a permit, one violation was written for camper on a building lot. The Codes department sent four (4) violations to court; unsightly yard, building permit violation, and two (2) separate violations for dumping raw sewage on the ground.

POLICE DEPARTMENT

Public Safety Director Murrison reported four (4) criminal activity reports; one (1) arrest for possession of narcotics, domestic violence, and two (2) children in need of care. They investigated possible elder abuse, it was unfounded. Six (6) calls to 911 from elderly female claiming abuse, all unfounded, reported them to DCF. They had one (1) dog at large, report for possible animal neglect, unfounded. Report that vehicles were not obeying flaggers from the water construction project, a report from Anderson County possible sexual abuse case, charges already filed. Police vehicle involved in a minor accident while helping the Sheriff Department, slight damage to the car from a barbed wire fence, driver is well.

FIRE DEPARTMENT

The department was dispatched to a total of thirteen (13) addresses, two (2) brush fires, nine (9) EMS assists, and two (2) power lines down. Two (2) of those were Mutal Calls. Congratulations to Rober Suppenbach and Lance William for completing the HazMat Awareness, HazMat Operations, and Fire Fighter 1 courses. Their certificate test was last Saturday. The department is still stocking the new truck with all supplies necessary, per ISO, to handle any situation we are faced with.

PAY REQUISITION #5-WATER PROJECT

Requisition #5 was present to the council for approval for \$1,272,835.20. Council President Suppenbach made the motion to approve Pay Requisition #5. The motion was seconded by Council Member Weers, motion carried 5-0. The project is moving forward as expected, they are waiting for some electrical parts, hopefully to be delivered before the eight (8) week delivery date that was quoted.

LAGOON EXPANSION PROJECT

The bid opening will be held on Wednesday, November 10 at 11:00am. BG Consultants will take the lowest bid back to their office and research. The bid will be officially awarded at the December 8th meeting.

HAY CONTRACT

Council President Suppenbach made the motion to change the contract from a 5-year contract term to a year-to-year contract. The motion was seconded by Council Member Weers, motion carried 5-0.

TC's LAKE SHOP-LIQUOR LICENSE

The Lake Shop is applying for a Liquor License through the State of Kansas. The first step is confirmation they are following zoning regulations, in the City Limits, and that the council will approve the license when the state issues it to the Lake Shop. Council Member Weers made the motion to allow the City Clerk to sign the document and be sent to the State of Kansas for approval. The motion was seconded by Council Member Hemphill, motion carried 5-0.

ADJOURNMENT

Council President Suppenbach made the motion to adjourn the Linn Valley City Council Meeting. The motion was seconded by Council Member Hemphill, motion carried 5-0.

City Council Meeting was adjourned at 6:39pm.

Submitted by: Mendi Cyr City Clerk

Linn Valley Police Monthly Report November 2025

3 reports on Dogs at Large. Two located and returned to owners.

Report of Elder abuse, Investigation determined it to be unfounded.

Agency Assist for possible Kidnap victim in Linn Valley. Individual was located and the report was determined to be a domestic violence incident that occurred in KCMO. Evidence collected and turned over to KCPD.

2 Vehicle unlocks

Report of Suspicious male lurking in the dark on Kansas Avenue. Subject was located and released to family. No crimes committed.

Report of an injured deer. Deer was located with two broken legs and was Euthanized.

Both dogs that have been housed in the city pound have been fostered to homes for the winter.

Two separate welfare checks on elderly individuals whom family was unable to make contact with. Both were contacted and found to be ok.

LINN VALLEY FIRE DEPARTMENT NOVEMBER 2025

Total Calls-8

Structure Fire (Camper) - 1 EMS Assist- 7

Congratulations to Lance and Robert for passing their HazMat Awareness, HazMat Operations and Fire Fighter 1 courses.

The New Fire Truck was put to the test this month and performed wonderfully! Unfortunately, that test was at the expense of a member of our community, he escaped the fire unharmed but did lose his home and contents.

EXHIBIT A-2

INVESTMENT AND DISBURSEMENT AGREEMENT

Requisition No.:	6
	2-8-2025

Requisition Certificate - Vendor

TO: SECURITY BANK OF KANSAS CITY, AS INVESTMENT AND DISBURSEMENT AGENT UNDER THE INVESTMENT AND DISBURSEMENT AGREEMENT DATED AS OF JULY 30, 2025, BETWEEN THE CITY OF LINN VALLEY, KANSAS AND THE INVESTMENT AND DISBURSEMENT AGENT.

Capitalized terms used herein not otherwise defined shall have the meaning set forth in the above-referenced Investment and Disbursement Agreement.

The undersigned hereby requests that the Investment and Disbursement Agent provide payment from funds in the Investment Account in the following amounts and to the entities set forth in the table below and that an advice or copy of such transfer be delivered to the undersigned.

The undersigned hereby states and certifies that: (a) the amounts requested are or were necessary and appropriate in connection with the construction, rehabilitation or repair of the Improvements to be financed by the Notes, or for the acquisition of land on which such Improvements are to be constructed, or for expenditures for costs of acquisition of equipment to be used in such portion or portions of the Improvements; and (b) have been properly incurred and are a proper charge against the Improvement Fund, and have not been the basis of any previous requisition from the Improvement Fund.

Water Project Progress Meeting Date: November 18, 2025

Distribution Lines

- Hettinger reported the purchase of a rock trencher, which will be used for ongoing distribution line work.
- The team is awaiting delivery of fittings needed for several sections of the line.
- Seeding will begin in select areas this month.
- Alarge brush pile near the water filling station has been accumulated; it will be burned during the winter after obtaining the necessary county permits.

Booster Station

- The pumps have been delivered, and the electrician will be on-site this week to complete available electrical work while awaiting the remaining components, expected by the end of November.
- The goal is to have the pumps operational by December and water flow to the tower in January.
- Once the tower is disinfected, water will be introduced into the system.

Fill Station

• Power installation is scheduled for completion and activation by next week.

Spoils

- Hettinger is seeking an alternative location for spoils (excess material such as soil, rock, and debris), as the current site is nearing capacity.
- Anyone with a suitable local area should contact City Hall.

Fire Hydrant at Fire Station

- Hettinger will install a tee on the new main line and connect the hydrant to the system once water is available.
- The hydrant will also be raised to meet specifications.

Change Order #1

• The number of meters will increase from 717 to 830.

• BG will present this change order to the council for approval at the December 8 meeting.

Additional Notes

- Property owners have approached Hettinger about water line extensions; all inquiries should be directed to City Hall.
- Hettinger plans to work the Friday after Thanksgiving. Most employees will be off the Friday after Christmas, with a small cleanup crew possibly working.

Water Dist Improvements Amendment #2.pdf; Contractor Recommendation Letter.pdf

Lew and Mendi,

I wanted to make sure you all had everything you need for the Monday meeting regarding necessary actions for the two projects (Water and Lagoon). Everything attached and below is information you've already received, but I wanted to give it to you all in one place just to make sure we're all on the same page. I will be at the meeting on Monday to provide an update on both projects and discuss all of the items below with the council.

Waterline Distribution Improvement Project

- 1. Council Approval of Hettinger's Pay App #6
- 2. Council Approval of Change Order No. 1 to the Agreement between the Owner (City) and Contractor (Hettinger Excavation)
 - Adds 113 additional users/meters bringing the total to 830 meters
 - Adds <u>180 days</u> of construction to the project schedule
 - Increase of Contract Not-To-Exceed amount from \$15,849,057 to \$16,259,733 (INCREASE of \$410,676)
 - The increase will take advantage of the available project contingency that was set aside in anticipation of these additional meters being added
- 3. Council Approval, contingent on USDA-RD review and approval, of Amendment #2 to the BG and City's Owner-Engineer Agreement
 - Increase of Contract Not-To-Exceed amount from \$2,489,300 to \$2,514,300 (INCREASE of \$25,000)
 - This will cover the additional engineering effort that is needed to incorporate the additional 113 meters into the project from Change Order No. 1

Lagoon Expansion Project

- 1. Council Award of the Construction Contract to <u>Double S Dirtworks</u>, contingent on USDA-RD review and concurrence.
 - Winning Bid (Double S Dirtworks) = \$3,295,235
 - Construction Budget (from Letter of Conditions) = \$4,581,850 + \$458,185 contingency

Please let me know if you need anything else!

AMENDMENT TO OWNER-ENGINEER AGREEMENT Amendment No. <u>2</u>

The Effective Date of this Amendment is: <u>December 8, 2025</u>.

Background Data

Effective Date of Owner-Engineer Agreement: January 7, 2020 Effective Date of Owner-Engineer Agreement amendment No. 1: August 13, 2021

Owner: City of Linn Valley, Kansas

Engineer: BG Consultants, Inc.

Project: Water Distribution Improvements Proposed in the Preliminary Engineering

Report titled Linn Valley Water System PER (Dated: June 19, 2019)

Nature of Amendment:

X Modifications of payment to Engineer

Description of Modifications:

Engineering fees were increased to account for additional Design work to add 113 additional water meters to the project in conjunction with the Construction Contract Change Order No.1 between The City and Hettinger Construction. The following table summarizes the Current Contract (Original & Amendment #1) fees and added Amendment #2 fees.

Туре	l	Original Fees + Amendment #1	Ar	nendment #2 Fees	Ne	et Increase
Basic Engineering Services	\$	1,170,900.00	\$	1,195,900.00	\$	25,000.00
Construction Observation	\$	1,142,700.00	\$	1,142,700.00	\$	-
Additional Services	\$	175,700.00	\$	175,700.00	\$	-
			Tota	al	\$	25,000.00

Agreement Summary:

Original agreement amount: \$2,352,450.00

Net change for prior amendments: \$136,850.00

This amendment amount: \$25,000.00

Adjusted Agreement amount: \$2,514,300.00

Change in time for services (days or date, as applicable): $\underline{\text{N/A}}$

The foregoing Agreement Summary is for reference only and does not alter the terms of the Agreement, including those set forth in Exhibit C.

Owner and Engineer hereby agree to modify the above-referenced Agreement as set forth in this Amendment. All provisions of the Agreement not modified by this or previous Amendments remain in effect.

RE:

Wastewater Treatment Improvements

22-1316L

Dear Mayor and City Commission:

On November 12, 2025 at 11:00 a.m., three bids and an Engineer's Opinion of Probable Cost (EOPC) were received and read publicly for the above project. The bid summary is shown below and bid tabulations are attached.

22-1163E Bid Totals

Bidder	Total Bid
Engineer's Opinion of Probable Cost	\$4,984,155.00
Double S Dirtworks	\$3,295,235.00
Dirks Heavy Construction	\$3,444,500.00
Pro Design Contractors	\$3,611,992.22
Epic Concrete	\$4,064,442.00
Infrastructure Solutions	\$4,450,220.00
Mega KC	\$4,287,051.00

The Total Bid is based on the sum of the individual Bid Prices, which are the product of the Estimated Quantities and Individual Unit Prices. After review of the submitted bids, three bids contained mathematical errors between the Bid Form and the calculated Unit Prices. However, the bid discrepancies noted do not affect the result of the bid. Double S Dirtworks is the lowest responsive bidder. Double S has demonstrated a successful track record on several projects of similar scope. After review of the information provided, Double S Dirtworks appears to be qualified to perform the work.

Therefore, BG Consultants, Inc. recommends award of the contract to Double S Dirtworks, contingent on USDA-RD review and concurrence. As always, our staff will be available for questions pertaining to this project or recommendation.

Sincerely,

Wesley G. Weishaar, P.E.

Project Engineer

RESOLUTION 144

A RESOLUTION REPEALING RESOLUTION 141 AND ESTABLISHING FEES PERTAINING CITY SERVICES, PERMITS, AND APPLICATIONS OFFERED BY THE CITY AND REFRENCED WITHIN THE CODE OF LINN VALLEY, KANSAS.

WHEREAS the City of Linn Valley, Kansas, presently charges for a variety of services, permits and applications;

WHEREAS fees are currently set forth in the Code of the City of Linn Valley, Kansas, having been authorized and formulated by the City Council at different times throughout the history of Linn Valley; and

WHEREAS, administration of the various fees would be simplified if all such fees would be consolidated into one resolution where both city staff and the citizens of the City of Linn Valley could determine the fees charged by the City;

NOW, THEREFORE BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF LINN VALLEY, KANSAS:

Section 1. The following page will list the fees that shall be charged for the appropriate service, permit or application, as referenced by the Code of the City of Linn Valley Kansas:

FEE DESCRIPTION	CODE SUBSECTION	FEE AMOUNT
ADMINISTRATION		
Open Record Inspection Fee	1-612	Charged at the rate of \$25 per hour per employee engaged in the record search, or a minimum \$25 charge per request
Open Record Copying Fee	1-613	\$0.25 Per Page
ANIMAL CONTROL		
Dog License Fee	2-102	\$3 fee per neutered male or spayed female dog; \$8 for each intact male or female dog; \$25 kennel fee for three or more dogs per household
Overdue Dog License	2-104	\$10 per dog
Dog Tags	2-202	\$8 fee for duplicate tag to replace lost or stolen tag
Dog Impoundment Fee	2-124	\$25
Dog Boarding Fee	2-125	Boarding fee \$20 per day in addition to other fines and fees

ORDINANCE NO. 276

AN ORDINANCE ESTABLISHING REQUIREMENTS FOR CONNECTION TO THE PUBLIC WATER SYSTEM IN THE CITY OF LINN VALLEY, KANSAS.

IT IS HEREBY ORDAINED BY THE GOVERNING BODY OF THE CITY OF LINN VALLEY, KANSAS:

Section 1. SUPERINTENDENT OF WATER AND SEWAGE. The general management, care, control, and supervision of the city water system shall be in the superintendent of water and sewage or other designee who shall be appointed by the mayor with the consent of the governing body.

Section 2. REGULATIONS. The furnishing of water to customers by the city through its waterworks system shall be governed by the regulations set out in this ordinance.

Section 3. SERVICE NOT GUARANTEED. The city does not guarantee the delivery of water through any of its mains and connecting services at any time except only when its mains, pumping machinery, power service connection are in good working order, and the supply of water is sufficient for the usual demand of its consumers.

Section 4. SERVICE CONNECTIONS REQUIRED.

- (a) The owner of properties with existing water or sewer tanks, all houses, buildings, or properties used for human occupancy, employment, recreation, or other purpose, situated within the city abutting on any street, alley, or right-of-way in which there is now located or may in the future be within one hundred feet of public water mains, is hereby required at his or her own expense to make connection to such public water main.
- (b) Before any connection is made to the city's water system an application must be made in writing to the city clerk, or city designee, by the owner of the premises, or his or her authorized representative, for a permit to make such connection.
- (c) All water tanks existing on properties making connection to the public water main must be decommissioned. Decommissioning of tanks shall be at the owner's expense. Decommissioned tanks shall be completely disconnected from all plumbing systems on the premises and in no way connected to the new water system. The city reserves the right to inspect decommissioned tanks for compliance. Decommissioning of tanks must be done in accordance with local, state, and federal laws.

Section 5. APPLICATION FOR SERVICE.

- (a) Any person, firm or corporation desiring a connection with the municipal water system shall apply in writing to the city clerk, or city designee, on a form furnished by the city for that purpose, for a permit to make the connection.
- (b) The application shall:

- (1) Contain an exact description including street address of the property to be served;
- (2) State the size of tap required;
- (3) State the size and kind of service pipe to be used;
- (4) State the full name of the owner of the premises to be served;
- (5) State the purpose for which the water is to be used;
- (6) State the anticipated water demand if the purpose is other than residential (flushing toilets, showers, residential laundry, washing dishes, etc.);
- (7) State whether the property will include any sprinkler systems for fire protection or irrigation;
- (8) State any other pertinent information required by the city clerk;
- (9) Be signed by the owner or occupant of the premises to be served, or his or her authorized agent.
- (c) Each application for a connection permit shall be accompanied by payment of fees and/or costs specified in Section 7.

Section 6. CITY TO MAKE CONNECTIONS. All taps shall be given, street excavations made, corporation cocks inserted, pipes installed from main to curb, and the curb cock installed in a meter box to which the service pipe is to be connected by city employees or city designee only. The City will have control over the installation of their assets in lieu of the owners plumber making the install. The Connection Fee should include the cost to buy the materials and perform the work listed below.

Section 7. CONNECTION FEES. The fees for connection to the city waterworks system shall be \$2000 as stated in Resolution 144.

Section 8. CHECK VALVES. The City codes department will determine when backflow check valves and backflow prevention are required.

Section 9. UNAUTHORIZED SERVICE. It shall be unlawful for any person, firm, or corporation, other than duly authorized city officials or employees to turn water on or off at the city water valve or curb cock shut off, with a key or in any other manner, without first obtaining written permission from the Utility Supervisor or city designee.

Section 10. METERS.

- (a) All water furnished to customers shall be metered.
- (b) Meters shall be located between the edge of the roadway and the property line. Meters may also be located within the front utility easement of the property. City staff shall determine the location of the meter.
- (c) The city's responsibility stops downstream of the water meter.
- (d) The city's responsibility stops at the fill station.

Section 11. TESTING. Meters shall be tested before being set and at any other time thereafter when they appear to be measuring incorrectly. If a test is requested by the customer and the meter is found to be accurate within two percent, the meter will be deemed correct and a \$350 charge, set by resolution 144, will be made by the customer.

Section 12. TAMPERING WITH METER. It shall be unlawful for any person to break the seal of any meter, to alter the register or mechanism of any meter, or to make any outlet or connection in any manner so that water supplied by the city may be used or wasted without being metered. It shall be unlawful for any person except an authorized employee of the water department to tum any curb cock on or off.

Section 13. LEAKS PROHIBITED; PENALTY. No allowances shall be made for water used or lost through leaks, carelessness, neglect or otherwise after the same has pass through the meter. However, every customer shall have the right to appeal to the city from water bill or meter reading which he or she may consider excessive.

Section 14. DISCONNECTION, RECONNECTION CHARGE. The governing body established, by Resolution 144, a \$50 water service disconnection and reconnection charge. Whenever the city receives a request from a customer for termination of water service the disconnection charge shall be added to the customer's final bill. Any service disconnected for nonpayment of delinquent bill shall be reconnected only upon payment of the delinquent bill, interest penalty thereon, and the reconnection charge.

Section 15. UTILITY CONNECTION. At the time of making application for water service, the property owner or customer shall make a \$2000 payment. to secure payment of accrued bills or bills due on discontinuance of service.

Section 16. INTERRUPT SERVICE. The city reserves the right to interrupt water service for the purpose of making repairs or extensions to water lines or equipment.

Section 17. PROHIBITED ACTS. It shall be a violation of this ordinance for any unauthorized person to:

- (a) Perform any work upon the pipes or appurtenances of the city's waterworks system beyond a private property line unless such person is employed by the city;
- (b) Make any connections with any extension of the supply pipes of any consumer without written permission to do so having been first obtained from the governing body;
- (c) Remove, handle or otherwise molest or disturb any meter, meter lid, cutoff, or any other appurtenances to the water system of the city.

Section 18. WASTING WATER. Water users shall prevent unnecessary waste of water and shall keep sprinklers, hydrants, faucets and all apparatus, including the service line leading

from the property to the meter in good condition at their expense.

Section 19. RIGHT OF ACCESS. Authorized employees of the city may enter upon any premises at reasonable hours for the purpose of reading the meter or servicing or inspecting meters or water lines.

Section 20. RATES. The rates per month for the use of water in the city shall be set by City Resolution.

Section 21. PAYMENT OF BILLS. All water bills for the previous month's water service shall be paid on or before the ninth (9th) day of the month following the service. For any billing not paid a \$2.50 late charge will be assessed.

Section 22. DELINQUENT ACCOUNTS; NOTICE; HEARING; FINDING; LIABILITY. Water service shall be terminated for nonpayment of service fees or charges.

Section 23. USE DURING FIRE. Fire Department personnel arriving on scene of an active fire prior to Fire Apparatus have the authority to use water from an outdoor spigot on a metered home.

Section 24. CROSS-CONNECTIONS PROHIBITED. No person shall establish or permit to be established or maintain or permit to be maintained, any cross connection whereby a private, auxiliary, or emergency water supply other than the regular public water supply of the city may enter the supply and distributing system of the city unless specifically approved by the Kansas Department of Health and Environment and the governing body.

Section 25. PROTECTIVE BACKFLOW DEVICES REQUIRED. Approved devices to protect against backflow or backsiphonage shall be installed at all fixtures and equipment where backflow and/or backsiphonage may occur and where there is a hazard to the potable water supply in that polluted water or other contaminating materials may enter into the public water supply. Any situation in which a heavy withdrawal of water, such as a sudden break in the main or water being used from a fire hydrant, may cause a negative pressure to develop which could lead to backsiphonage of polluted water into the system shall be improper and must be protected by approved backflow preventive valves and systems as determined by the superintendent.

Section 26. INSPECTION. The city utility superintendent or other designee of the governing body shall have the right of entry into any building or premises in the city as frequently as necessary in his or her judgment in order to ensure that plumbing has been installed in accordance with the laws of the city so as to prevent the possibility of pollution of the water supply of the city.

Section 27. PROTECTION FROM CONTAMINANTS. Pursuant to the city's constitutional home rule authority and K.S.A. 65-163a, the city by its utility superintendent may refuse to deliver water through pipes and mains to any premises where a condition exists which might lead to the contamination of the public water supply system, and it may continue to refuse the delivery of water to the premises until that condition is remedied. In addition, the city utility superintendent may terminate water service to any property where the cross connections or backsiphonage condition creates, in the judgment of the superintendent, an emergency danger of contamination to the public water supply.

Section 28. This ordinance shall take effect and be in force from and after its publication of summary in the official newspaper of the City and publication of the entire ordinance on the official website www.linnvalleyks.com for one week following the aforesaid newspaper publication.

ADOPTED AND PASSED by the governing body of the City of Linn Valley, Kansas on this Eighth (8^{th}) day of December 2025.

Mayor, Lew Donelson	
	(Seal)
Attested:	
	-
City Clerk, Mendi Cyr
