

Contractors on this list were registered to do business within Linn Valley on the date of registration approval. This means the contractor paid the registration fee and provided documentation of current liability insurance coverage at that time. If the liability insurance certificate on file has expired, the contractor is no longer registered and cannot do work in Linn Valley. Expiration dates of liability insurance vary. Contact City Hall at 913-757-2391 or codesclerk@linnvalleyks.com **Note: a contractor's insurance policy may not cover workmanship. The fact that contractor is registered is not an endorsement of that contractor's work, qualifications, or experience.**
